All drawing dimensions supplied by Daldorado are for reference only. All drawings are saved in a (*.dwg) file format and are provided as a service to our customers. Errors on occasion may occur when opening a file due to software incompatibility. Daldorado or any authorized distributor of our products will not be held responsible from files which have been converted and does not warranty the documents against deficiencies or typographical errors of any kind. We recommend that all measurements are verified with the actual physical product before any custom fabrication in the field occurs.
